

Board of Trustees Workshop

December 1, 2015

The Alpena Township Board of Trustees met in a workshop session on Tuesday, December 1, 2015 at 3:30pm at the Alpena Township Offices, 4385 US-23 North Alpena, Michigan.

Present for this workshop were Supervisor Twite, Treasurer Diamond, Clerk Thusat, and Trustees: Poli, Fournier, Mischley and Dunckel.

The purpose of this workshop was to discuss the command structure of the Fire Department, the possible creation of a position of Fire Chief within the Alpena Township Fire Department and to discuss ways to improve the morale issues within the Department.

After discussion, it was decided that the Board needed to explore the possibility of creating a Fire Chief position a little more in depth. The Board asked that the Firefighters to meet and come back to the Board with some suggestions as how this to proceed and what they wanted in a Fire Chief. The Board decided to have another workshop that would take place on December 21, 2015 at 9:00am at the township meeting room. The purpose of this meeting would be for Board members and the Firefighter to come back with proposals and/or suggestions as to how the Fire Department could be structured to afford the creation of a Fire Chief position.

Meeting ended at 4:45pm.

Respectfully submitted

T. Juergen Thusat
Alpena Township Clerk
